

## Press Release

### **Contract for the Transit Center Design-Construction project in Thriasio Plain**

**Athens, Greece - 7 January 2019** - MYTILINEOS S.A. (RIC: MYTr.AT, Bloomberg: MYTIL.GA) announces the signing of a contract for the construction of the Freight Center in Thriasio Plain, Western Attica, Greece, for an initial contract amount of €109mn.

The contract was signed with the consortium ETVA VIPE (Industrial Areas) and Goldair (THEK S.A), who are the Project's Concession Holders for the 60-year duration of the concession contract.

The Thriasio Transit Project relates to the Design and Construction of the first Logistics Park in Greece, including the development of warehouses and supporting buildings covering a total surface of 235,000m<sup>2</sup> within a land plot of 588,000m<sup>2</sup>, owned by GAIAOSE.

In addition to the construction of building facilities, a road and a railway network will be constructed within the park aimed at supplying the warehouses. This combination of transport will be the first in the Greek logistics market.

The first phase of the construction project will begin once the concession contract has become en force, scheduled within the following quarter, and has duration of 24 months.
